

## While at Toms River Visit "Birdville"

See our Wonderful House including a Private Chapel. Five years in building. All home labor. House abounds in beautiful arches and niches ornamented with the famous Moravian Tiles. Visit also the largest Bird House Factory in the country. Place adjoins Toms River, on South side just off Atlantic Boulevard.

POST CARD

Dear Mary & Sue.

Will tell you the story of Birdville.  
We have been there -

This has been one of those quiet  
foreboding days - with just a short  
time of snowing.

What I did you do at the Fair, Mary?  
Sue - Have you sold my delayed Egg?  
What new pieces are you both getting?  
Lots love etc.
